WERKZEUGE

Stirring sticks your logo burned-in

We supply you with stiff stirring sticks made of environment-friendly beech wood, with advertisement **burn-in** on demand. The **burn-in** is **solvent-resistant, ecologically** sound and permanent. There is neither removable printing ink nor any discolouration of the stirring medium or the hand doing the stirring.

We manufacture stirring sticks from 200 to 600 mm length.

Your requested advertisement burn-in will be executed with a permanent branding iron against one-time production costs. This branding iron will be either provided to us or supplied by us following your request. The burn-in can then be executed as requested on both sides.

For smaller numbers with advertisement burn-in, we offer a **composing branding iron**, this means your company name or slogan will be set together in standard letters and burned-in.

The composing costs **26.00 € / line** (two lines with 30 places are possible).

By request we produce stirring sticks with grip dent.

Additional charge for grip dent 2,00 € / 100 stirring sticks

Stirring sticks and glue stirrer

made of beech wood  
55 mm stirring area width, approx. 15 mm thick

Available in standard sizes:	(1550) Stirring stick	700 mm total length	3.50 € / piece
	(1551) Stirring stick	800 mm total length	5.20 € / piece
	(1552) Stirring stick	1300 mm total length	11.00 € / piece

(1560) Glue stirrer 500 mm total length, 35 mm stirring area width, 250 mm stirring area length, ca. 9 mm thick, with bevel cut 3.80 € / piece

(1570) Glue stirrer 540 mm total length, 38 mm stirring area width, slot approx. 220 x 10 mm, ca. 8 mm thick, with bevel cut 3.80 € / piece

(1560) + (1570) from 100 pieces = 3.00 € / piece

On all stirring sticks and glue stirrer we can burn-in your advertisement for more than 100 pieces. This burn-in will be made by hand and costs **0.38 € / burn-in**.
